

## EWE Spirit Fund

Geoff was committed to helping people who are most in need — those suffering from poverty, illness, physical and mental disability, and other unavoidable hardships. He believed that our entire society would benefit from investing more meaningfully in our most vulnerable populations. The EWE Spirit Fund was created to identify these people and address their needs in a fair and timely manner.

Although your contributions will be made to the foundation, please be assured that Mary and the EWE Spirit Fund advisors will direct all grants made from the fund.
